Dear Customers and Friends,

As part of Ontario's essential services waste management sector TRY Recycling WILL REMAIN OPEN and operational during these extraordinary times. Our TEAM continues to work closely with customers and government to support the efforts of all Ontarians and, indeed Canadians.

Be assured TRY Team members will follow social distancing guidelines at all times to provide safe spaces between themselves and ALL customers. Our counters and public areas receive regular, comprehensive cleanings with appropriate sanitizing products. We ask that you, and your employees respect these protocols when on site and follow directions from TRY Team members.

Please note our HOURS will be changing as of Monday, March 30th – at the Main TRY facilities – Clarke Road North and the Dingman location. Both facilities will operate on the following schedule:

Monday – Friday 8 a.m to 5 p.m.

Saturday – 8 a.m to NOON

TRY's commitment to a healthy and safe community continues to be our top priority. We urge everyone to be cognizant of how individual and corporate actions can, and will, assist in reducing the spread of COVID19.

We will continue to post updates and information on our website and Facebook site.

If you have any questions you can call us at 519-457-1566 or email CSR@tryrecycling.com

Be well.
